2 Songs

Some pieces of lyrics from some songs that I sometimes would send on a chat, and wanted to have the verse decorated with some music notation.

Some I would send to my wife from time to time.

2.1 The Free Software Song by Richard Stallman

- Free Software Song on www.gnu.org.

Join us and share the software, ♪ ♪ you'll be free hackers. . .

Join us now and share the software; You'll be free, hackers, you'll
be free. ♪

2.2 Linda

By the group Roupá Nova.

Linda, só você me fascina! ♪

2.3 Coração Pirata

By the group Roupá Nova.

As pessoas se convencem, de que a sorte me ajudou Mas plantei
cada semente, que o meu coração desejou ♪

2.4 Te Amo Guria

A song by “Grupo Minuano”, from a time where Brazil south music had not become a pile of crap and noise (like most “popular” music in the recent decades).

♪ Eu te amo, te amo demais Teu amor só me traz alegria O teu
corpo é minha querência O meu céu minha estrela guia ♪
